\*If a Designer generates at least 250 PV in a calendar month they will be paid at a higher Retail Sales Commission rate of 30%-50%, beginning the first of the following month. A Designer will continue to receive 30%-50% in Retail Sales Commission based on the sales during each subsequent calendar month for which at least 250 PV is generated.

\*\*Customer leads, and to be listed in our "Find a Designer" database, will be based on generating at least 250 PV and geographical location.

\*\*\* Must have an active O2 Bundle subscription and generate at least 500 PV for all 3 months during each quarter to receive this quarterly bonus payout.
