

OWLETTE EDUCATION AWARD RULES + QUALIFICATIONS

ANNUAL OWLETTE EDUCATION AWARD!

As we announced at the 2018 O2 Experience Convention, we want to support our Owlettes and BROs whose goals are to continue their education at a university or technical school once they graduate from high school.

Two Owlette/BRO recipients will be selected to receive the Owlette Education Award. We will recognize these individuals on stage at the 2019 O2 Experience Convention, and they will each receive a check for \$2,000 to help cover their continuing education costs.

Here's what you need to know about the Owlette Education Award:

Contest period: January 1, 2019 - March 31, 2019

Qualifications:

- 1 Must have been an Owlette/BRO for at least one year at the start of the contest period - January 1, 2019
- 2 Must be in good standing, as determined by Origami Owl
- 3 Must be a senior in high school and have not attended college at the start of the contest period
- 4 Must be a "graduating Owlette/BRO" (will be graduating from high school in 2019)
- 5 Attendance at the 2019 O2 Experience is not required for consideration, but strongly recommended, as there will be special on-stage recognition.

Rules:

Owlettes/BROs may enter the contest by submitting an essay with answers to the following questions, along with a photo, to Owlettes@OrigamiOwl.com.

- 1 When did you join the Owlette Program? (month, day and year)
- 2 Why should you be considered for the Owlette Education Award?
- 3 What are your plans for the award if you are chosen?
- 4 What have you learned from the Owlette Program both personally and professionally?
- 5 How have you incorporated Origami Owl's mission statement into your life?

Please also submit a photograph of yourself showcasing your involvement in the Owlette Program. You may also submit a video as part of your entry (optional).

Judging:

The two Owlette Education Award recipients will be chosen by a panel of judges via an independent award committee outside of Origami Owl. The committee is looking for originality - so be creative! They will be judging on content, overall impact, demonstration of commitment to the Owlette Program and Origami Owl's mission.

Parents or Legal Guardians:

Please read the Owlette Education Award Contest Official Rules and sign the Affidavit of Parental Consent for your Owlette/BRO to be considered for the Owlette Education Award.
